

Gilford School Food Service check and cash deposit procedure:

This procedure will remain in place for the 2020-2021 school year.

In an effort to limit hand to hand transactions in the food service line we will be asking students to deposit cash and checks in this manner.

For cash and check deposits, there will be a lock box available at the entrance to the cafeteria. Students will be supplied an envelope to put the deposit in. On the envelope the student will put their name, student ID number and the amount of the deposit. If the deposit is in the form of a check please include the check number. These deposits should be made prior to 9:30 am.

Please remember that online deposits can always be made at myschoolbucks.com. By opening an account for your students. Hint you will need your student ID numbers and they are a six digit code.
